

Home

Welcome to my Savvas Orders. This document will walk you through the navigation of the **Home page** in my Savvas Orders at mysavvasorders.savvas.com.

Once you log into my Savvas Orders you will see the menu options across the top of the page:

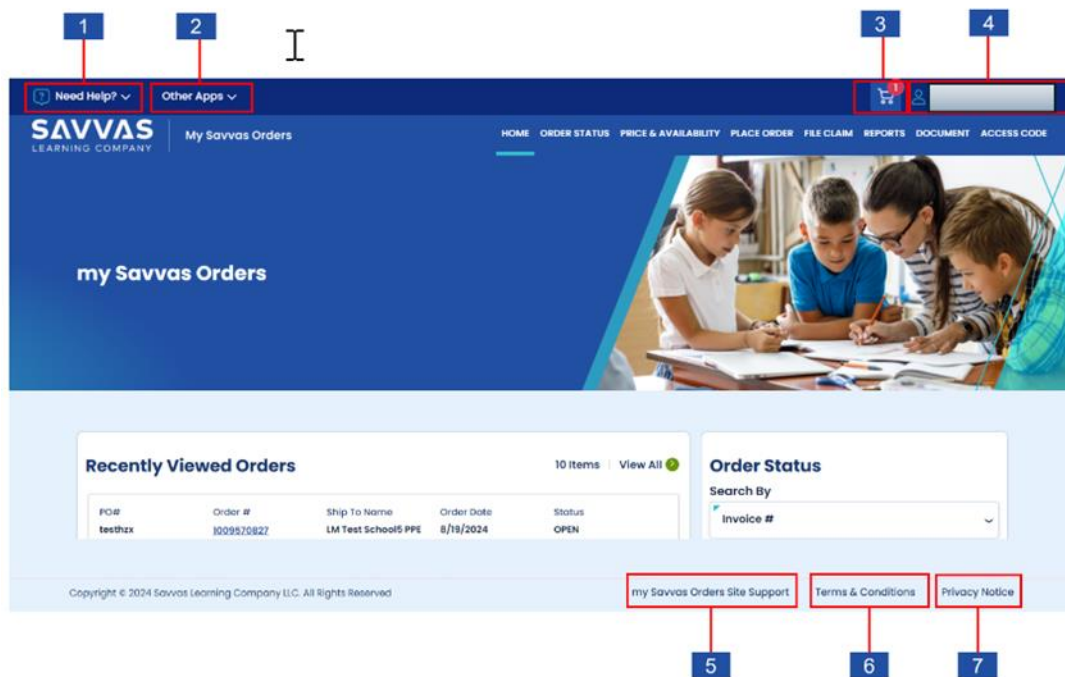

Below is a summary of the purpose of each of the menu options on the my Savvas Orders Home page. Please note that there are individual training documents for each of these tabs which will provide detailed training for the menu option:

- **Home** – you can access all menu options and support links.
- **Order Status** – you can track the status of your orders.
- **Price & Availability** – you can view pricing and availability for various products.
- **Place Order** – you can start the process to create your orders.
- **File a Claim** – you can file a claim for shipping & billing issues such as shortages, overages, pricing issues, duplicates, and transportation issues.
- **Reports** – you can run reports for:
 - Product Information that is based on your Purchase History such as New Editions and Supplements.
 - Order Information such as Backorders and Order Status.

- Customize reports that allow you to return specific info that meets your needs.
- **Documents** – you can request documents like invoices, credit or debit memos.
- **Access Codes** – you can check the status of your access codes (activated, not activated, expired). You can also view activation dates and request deactivations.

In addition to your menu options, there are several support links available:

1. **Need Help?** – provides you with links to the following:

- FAQ
- Site Training
- Contact my Savvas Orders site support
- Contact Customer site support

2. **Other Apps** – provides you with links to the following:

- Worktext (National)

- Worktext (TX only)
 - SIOP Registration
 - Workbooks
 - Novels (TX only)
3. **Review Cart** – takes you to the cart.
 4. **Profile** – view your profile or Sign out.
 5. **mySavvas Orders Site Support** – takes you to the support.
 6. **Terms & Conditions** – view Terms and Conditions.
 7. **Privacy Notice** – view Privacy Notice.

There are also several Quick Links available in the body of your **Home** page:

1. **Recently Viewed Orders** – This view provides you with a list of your recent orders. Once there are orders listed you can click the **PO Number** link to open and view a particular order. You will also see a **View All** option at the top right that you can click to see a list of all your open orders.

The screenshot shows the 'my Savvas Orders' website interface. The top navigation bar includes links for HOME, ORDER STATUS, PRICE & AVAILABILITY, PLACE ORDER, FILE CLAIM, REPORTS, DOCUMENT, and ACCESS CODE. The main content area is divided into two sections. On the left, the 'Recently Viewed Orders' section displays a table of orders with columns for PO#, Order #, Ship To Name, Order Date, and Status. The first order is highlighted with a red box. On the right, the 'Order Status' sidebar contains search filters for PO#, ISBN, and Order Date, along with a 'View All' link.

PO#	Order #	Ship To Name	Order Date	Status
TestPO1971	1009570747	School Test User	8/12/2024	OPEN
12345	1009570626	School Test User	8/8/2024	OPEN
WEBORD000066	1009570543	School Test User	8/7/2024	OPEN
12345	1009570539	School Test User	8/7/2024	OPEN

mm/dd/yyyy mm/dd/yyyy

Order Status

2. **Order Status** – This view provides you with a quick link to track your orders. Search by any of the criteria fields provided to find the order(s) you are looking for. Note that you also have the menu option at the top with additional options for tracking orders. Please see the Order Tracking training document for detailed training on using this feature.

3. **Held Carts** – This view provides you with a list of any orders that you created but did not yet submit so the items are being held in the cart. Click the **Cart Name** to open the appropriate held cart, or click the **View All** link at the top right to view them all.

4. **Quick Reports** – This view provides you with a quick link to run reports related to your orders. Again, you have the tab at the top with additional options for running reports. Please see the Generate Reports training document for detailed training on using this feature.
