

Reports – Internal Salesforce Users

Welcome to my Savvas Orders! This document will walk you through the steps to generate a report in my Savvas orders.

NOTE: This document is for internal use only. If you do not see the my Savvas Orders app when you log in to Salesforce, click the 9-dot App Launcher on the left, type “my Savvas Orders” in the search, and then select **my Savvas Orders** from the results to open the app.

1. Start by selecting the **Reports** tab from the my Savvas Orders app in Salesforce at <https://savvas.lightning.force.com/>:

2. This will take you to the **Reports** page, where you will find a list of options to choose from:
 - **Order Status Report – Summary** – This report displays the status of one or more orders. You may run this report based on ISBN(s) and/or Purchase Order Number (s). The standard report reflects orders placed within the last 12 months. The Summary version returns basic order information.

- **Order Status Report – Detail** – This report displays the status of one or more orders. You may run this report based on ISBN(s) and/or Purchase Order #s. The Detail version includes information such as due in stock date, invoice number and ship date (if applicable).
- **Order Status Report – Tracking** – This report displays the status of one or more orders. You may run this report based on ISBN(s) and/or a purchase order number(s). The Tracking version includes carrier, parcel and tracking information.
- **Backorder Report** – This report displays a list of all backorders on your account. You may narrow your search by ISBN, purchase order and date range. The standard report reflects orders places within the last 12 months.
