

Place Order

Welcome to my Savvas Orders! This document will walk you through the features related to creating and submitting an order.

1. Start by selecting the **Place Order** tab from the my Savvas Orders Home page at mysavvasorders.savvas.com:

The screenshot shows the my Savvas Orders homepage. The navigation bar at the top includes links for HOME, ORDER STATUS, PRICE & AVAILABILITY, **PLACE ORDER** (highlighted with a red box), FILE CLAIM, REPORTS, DOCUMENTS, and ACCESS CODES. Below the navigation bar, there is a 'Recently Viewed Orders' section with a table of orders. To the right, there is an 'Order Status' section with search filters for PO#, PO#, ISBN, Order Date (From/To), and Order Status.

PO#	Order #	Ship To Name	Order Date	Status

2. You will begin the order process on the **Confirm Addresses** page, where you can review your billing and shipping addresses. Once the addresses are confirmed, click **Search for Products** in the **Review Addresses** section:

The screenshot shows the 'Confirm Addresses' page. It has a breadcrumb trail: Home > Place Order > Confirm Addresses. The page is divided into three main sections: 'Select Billing Address', 'Select Shipping Address Related To Bill To', and 'Review Addresses'. The 'Select Billing Address' and 'Select Shipping Address' sections each show two identical address options for 'SCHOOL TEST USER' at '123 MAIN STREET, NJ, 07652'. The 'Review Addresses' section at the bottom shows the selected billing and shipping accounts and addresses. A red box highlights the 'Search for Products' button in the bottom right corner of the 'Review Addresses' section.

3. This will take you to the **Product Search** page, where you can search for items using the following options:

- **ISBN/Title** – search for your product using ISBN or Title Keyword(s).
- **Multi ISBN** – search for multiple products by entering multiple ISBNs.
- **Catalog** – view and search all the products in the categorized list.
