

Reports

Welcome to my Savvas Orders! This document will walk you through the steps to generate a report in my Savvas orders.

1. Start by selecting the **Reports** tab from the my Savvas Orders Home page at mysavvasorders.savvas.com:

The screenshot shows the my Savvas Orders Home page. The navigation bar at the top includes links for HOME, ORDER STATUS, PRICE & AVAILABILITY, PLACE ORDER, FILE CLAIM, **REPORTS** (highlighted with a red box), DOCUMENTS, and ACCESS CODES. Below the navigation bar, there is a 'Recently Viewed Orders' section with a table of orders. To the right, there is an 'Order Status' section with search filters for PO#, ISBN, and Order Date.

PO#	Order #	Ship To Name	Order Date	Status
TestPO1971	1009570747	School Test User	8/12/2024	OPEN
12345	1009570828	School Test User	8/8/2024	OPEN
WEBORD000066	1009570543	School Test User	8/7/2024	OPEN
12345	1009570539	School Test User	8/7/2024	OPEN
12345	1009570533	School Test User	8/6/2024	OPEN

2. This will take you to the **Reports** page, where you can review your billing and shipping address:

The screenshot shows the Reports page. At the top, there are buttons for 'View Sample', 'Delete Report', 'Edit Criteria', and 'Run Report'. Below these buttons, there are two sections for selecting addresses to report on. The first section, 'Select Billing Address to Report on', shows two identical address cards for 'SCHOOL TEST USER' at '123 MAIN STREET, NJ, 07652'. The second section, 'Select Shipping Address to Report on (Optional)', shows a checkbox for 'Include Reports for any associated Shipping Address' and eight identical address cards for 'SCHOOL TEST USER' at '123 MAIN STREET, NJ, 07652'.

3. Once the addresses are confirmed, click the drop-down menu in the **Reports** section. You will find a list of options to choose from:

- **Order Status Report – Summary** – This report displays the status of one or more orders. You may run the report based on an ISBN(s) and/or a purchase order number(s). The standard report reflects orders placed within the last 12 months. The Summary version returns basic order information.
- **Order Status Report – Detail** – This report displays the status of one or more orders. You may run the report based on an ISBN(s) and/or a purchase order number(s). The Detail version includes information such as due in stock date, invoice number and ship date (if applicable). The standard report reflects orders placed within the last 12 months.
- **Order Status Report – Tracking** – This report displays the status of one or more orders. You may run the report based on an ISBN(s) and/or a purchase order number(s). The Tracking version includes carrier, parcel, and tracking information. The standard report reflects items on orders placed within the last 12 months that have shipped.

4. When you select a report, you will see the description displayed on the right side. Once you have selected the appropriate report, you have options to View Sample, Delete Report, Edit Criteria, and Run Report.

- **View Sample** – view a sample of the report.
- **Delete Report** – delete a custom report.
- **Edit Criteria** – edit the report criteria and save it as a custom report.
- **Run Report** – generate the selected report.
